Letter No. LND (U) 8249/60-61 dt. 1-6-1961 from the Dist. Comm., Mysore Dt.

1) It is reported that one Shri. Medara Achu of Cherangala Village had applied for some Poisari land out of S.No. 94/1 in Thavur Village for cultivation purposes and occupied the land after survey of the same and started cultivating the land. Subsequently the S.No. 94/1 and some other S.Nos. were declared as "Protected Forest" in order to preserve the catchment area in Cauvery River basin. As the applicant has spent large amount to develop the land as he is a Scheduled Tribe, the Dy. Comm., Coorg has recommended for grant of land to the extent of one acre at an upset price of Rs. 25/- per acre. The Dist. Comm. has agreed to the proposal of the Dy. Comm. The Dist. Comm. further states that the Forest Dept has been consulted in the matter and they have no objection to grant this land to the applicant. But from the case pps. it appears that there is no such letter in which the Forest Dept has given its consent for disposal of this land. If approved a copy of the letter in which the Forest Dept. has agreed for the grant of land may be called for. The views of the Conservator of Forests may be flagged & may kindly be permitted.

SUBJECT:- ENCROACHMENT UPON PROTECTED FORESTS BY MEDARA ACHU - THAVUR VILLAGE - BHAGAMANDALA NAD.

.....

Sir,

Medara Achu of Cherangala Village had applied for some Paisari land out of Sy. No. 94/1 in Thavur Village, for cultivation purposes. As this case was found to be a deserving one, 3.00 acres of paisari land was approved for grant subject to a detailed report under the Standing Orders. The applicant being an illiterate and ignorant person belonging to the Scheduled Tribes, occupied the land soon after the survey under the impression that the land was granted to him.

2. Subsequently, Sy. No. 94/1 along with some other Sy.Nos. in Bhagamandala Nad was declared as protected Forest in order to preserve the catchment area in the Cauvery River basin. A copy of the pertinent Notification is enclosed for favour of perusal.

3. As the land occupied forms part of the area declared as protected Forests, the applicant was directed to vacate the land. But he pleads that it is not possible to vacate the land since he has spent large sums of money over the land with his meagre resources.

4. I have inspected the land. He has put up a house, sunk a well about 30 feet in depth and is residing on the land. A vegetable garden with some plantain slumps has also been raised on the land.

5. Although he is a landless poor man earning his livelihood by daily wages he has done his best to improve the land and has spent over Rs. 500/- for the work carried out so far, which from his point of view can be considered to be heavy.

6. On a careful consideration of the case, I wish to state that the grant of this comparatively small area of 1.00 acre is not likely to interfere with the object of protecting the catchment area of Cauvery basin. The applicant who is a member of the scheduled tribe, will be rendered destitute if he is forcibly made to vacate the land.

7. The surveyed land of 2.22 acres is in two blocks of 0.70 acre and 1.52 acres vide sketch in the file. The applicant has occupied only about an acre out of Sy.No.94/26 of 1.52 acres and the other bit is lying vacant.

8. In the circumstances and in view of the fact that the applicant has settled well on the land, I recommend that 1.00 acre of land may be granted to the applicant as a special case. The balance area of 0.52 acre in the Sy. No. 94/26 and the other bit of 0.70 acre surveyed for him may not be granted to him.

9. No further grants will be made out of this Sy. No. on any account. I wish to add in this connection that there are private holdings adjoining the one acre occupied by M. Achu which is not proposed to be acquired for purposes

of maintaining the catchment area and that there can be no objection therefore to permit Achu to retain this one acre which will not adversely affect the preservation of the catchment area.

10. The connected papers are enclosed for favour of perusal and kind return.

Yours faithfully,

DEPUTY COMMISSIONER.
